

AGING, DEPARTMENT ON[17]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 231.14, 231.23 and 17A.3, the Department on Aging hereby rescinds Chapter 5, “Department Fiscal Policy,” and adopts a new Chapter 5, “Department Fiscal Operations,” Iowa Administrative Code.

The rules in new Chapter 5 mandate that the Department and area agencies on aging comply with existing federal and state laws, rules, and regulations in regard to aspects of fiscal management and oversight. The rules change the process and procedure used to develop and adopt distribution formulas for Older Americans Act funds and state appropriations. The chapter includes a rule that allows the Department to mandate a plan of correction and impose remedies for fiscal failure to perform.

Notice of Intended Action was published in the Iowa Administrative Bulletin on January 9, 2013, as **ARC 0550C**. The Department received no written comments. These rules are identical to those published under Notice of Intended Action.

The Commission on Aging adopted these rules on April 26, 2013.

After analysis and review of this rule making, no impact on jobs has been found.

These rules are intended to implement Iowa Code chapter 231.

These rules will become effective on June 19, 2013.

EDITOR’S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these rules [Ch 5] is being omitted. These rules are identical to those published under Notice as **ARC 0550C**, IAB 1/9/13.
